

## SAFEWAT – Cost-effective and safe drinking water for everyone

2020-1.2.3-EUREKA-2021-00012

PROJECT MEETING  
PROPOSED PROGRAM  
15-16 NOVEMBER 2023

### Proposed program for 15 NOVEMBER

- 8:30 a.m. We meet at the entrance of the main plant of Budapest Waterworks (BWW). Parking lots are available.
- ≈8:30-10:00 Guided visit of the engine room and operational centre.
- ≈10:00 We leave together (transportation is provided by BWW) for the island where river-bed filtration wells are located.
- ≈11:00 Arrive to the well (Tótfalu 5) to be presented. Here we get a presentation about the wells (operation, reconstruction techniques etc.).
- ≈12:30-14:00 Lunch
- ≈15:00 Arrive to the meeting point (main plant). Free program afterwards.
